29.7 – footpaths Sheldrake Way – response from Tony Wilson ERYC. "The footways down Sheldrake Way and Rosemary Walk are in a safe condition which is the primary concern however, as with many footways throughout the County they would benefit from resurfacing.

The funding received for footway improvements is limited and the monies have to be targeted to those areas in most need and with the heaviest footfall. ERYC will monitor the footways in this area until such time as funding is made available.

The street nameplates in the area have been inspected and found to be in very good condition. Mr Bettison has been invited to contact ERYC direct if there is a particular location that he feels is sub-standard.

The shrub matter has been passed to a Steve Colby and he has been asked to contact the Clerk direct with his findings".

# <u>ACTION – Councillor Farrow to check footpath signs to establish if they</u> are the ones for which the Parish Council is responsible.
